

You are invited to become a sponsor of the 32<sup>nd</sup> annual William J. Savioli Memorial Golf Tournament to be held on May 10, 2017. This is the principal fund raising event for the Somers Volunteer Fire Department. You become a sponsor by purchasing a golf flag with your name or business name on it. This flag will be displayed at the tournament and then will be given to you afterward. Your name will also be displayed on the sign board at the firehouse for 3 days and at the Fire Department bingo booth at the Four Town Fair as part of our “thank you” to our various sponsors.

Funds raised by the tournament go toward covering expenses not included in the town budget. This includes the class A uniforms used for parades and funerals, service awards, the first “Somers Fire Department” jacket which is given to people upon completion of the requirements to become an active member of the department, firehouse furniture and the like.

To become a sponsor, fill out the attached pledge form with the wording you would like on the flag and return it to the Somers Volunteer Fire Department Attn. Golf Committee. The fee for the flag is \$100.00. This can be returned with the pledge form or submitted later.

Thank you for your support

Somers Volunteer Fire Department
